

PRIVATE BREAKFAST INVITATION LEADERSHIP DISCUSSION ON CYBERSECURITY

On the occasion of the 6th edition of the World Strategic Forum,
Abacode cordially invites you to a private breakfast with

Michael Ferris
Principal,
Abacode

Jeremy Rasmussen
Partner,
Abacode

Abacode is a Cybersecurity firm that provides risk-based solutions for growing companies. Abacode experts have co-developed an industry leading 24/7 Cyber monitoring program that acts as an alarm system for critical data. Abacode employs global thought leaders and industry experts in ethical hacking, cyber crimes and corporate governance which provides businesses with solutions and guidance before attacks become disruptions and financial hardships.
