

# MCCP Core™

Managed CyberSecurity & Compliance Services Provider (MCCP)

## CYBERSECURITY & COMPLIANCE IN ONE MANAGED SERVICE

Abacode is a next generation Managed Cybersecurity and Compliance Services Provider (MCCP). We combine advanced technology and curated intelligence to predict and prevent modern, sophisticated cyber threats. Abacode provides full compliance management services that support sustainable growth. We enable achievement of compliance standards required by your industry, your clients or your prospective clients based on our deep expertise in complicated regulatory environments. The combination of software-driven security solutions and compliance skills enables our Virtual Compliance SOC, extending DFIR and MDR coverage to include full compliance reporting, detection and response.

# TESTIMONIALS

*"Partnering with Abacode allows us to utilize the expertise of its staff to properly implement a managed cybersecurity program, helping to protect the Tampa Bay Lightning, Tampa Bay Storm, and AMALIE Arena against threats without the overhead of additional staff and resources focused solely in these areas. We are pleased to have Abacode as a partner."*

– VP of Innovation and Technology Services

TAMPA BAY LIGHTNING

*"We rely on partners to help drive the Tech Data brand and services practice forward, and Abacode is one of those companies we've been incredibly excited to collaborate with. Abacode's people and process are second to none. They bring a level of quality and depth of services that are truly hard to find. Tech Data and Abacode, combined, are hard to beat."*

– Vice President, Security Solutions
